HOW MANY YEARS HAVE YOU BEEN PLANNING WEDDINGS?

We are actually pretty new to the Industry. We have been organizing weddings for approximately 8 years now. We started focusing on the catering aspect and now we provide event planning services. We believe the "one stop shop" option makes our client's lives much easier.

YOU MENTIONED CATERING? WHAT KIND OF MENUS DO YOU OFFER?

We do not offer menus/ packages. We see each wedding as an opportunity to craft or customize a great culinary experience. Our kitchen is versatile; we can cook most of the world renowned cuisines.

ARE YOU SEEING A LOT OF DESTINATION WEDDINGS COMING TO MIAMI?

We do. Miami is becoming a global "hot spot" and every year we plan several destination weddings. Hopefully the trend continuous and as an Industry we are able to assist many more couples in the years to come.

"OBVIOUSLY THE MIAMI WEATHER IS VERY UNPREDICTABLE, SO FINDING THE RIGHT VENUE AND DESIGNING A SOLID CONTINGENCY PLAN ARE KEYS TO SUCCESS"

WHAT ARE SOME OF THE BIGGEST CHALLENGES YOU RUN INTO WHEN PLANNING A WEDDING?

Obviously the weather is very unpredictable, so finding the right venue and designing a solid contingency plan are keys to success. Once this has been arranged then the next step is executing the envisioned event designed with our clients.

WHAT DO YOU SEE YOURSELVES IN 10 YEARS?

We would love to be recognized as one of the best wedding planners and caterers in the Miami Event Industry. Until then we will continue to create wonderful experiences and memories for loving couples and their guests.
